Developments That Set the Scene for the Perfect Summer Staycation

By: **Ameena Walker**

With the summer season upon us and increased flight cancellations snarling travel plans, many city dwellers are looking for ways to unwind without straying too far from home. From rooftop views of the iconic Macy's 4th of July fireworks to swimming pools and barbecues, here are seven developments whose amenities offer fun in the sun for residents without the hassle of leaving their confines.

Jolie, the 42-story tower by FXCollaborative in Manhattan's Financial District, presents residents with a suite of desirable amenities as part of its exclusive Cloud Club 77. The landscaped rooftop observation deck overlooks the Hudson River with views of the Statue of Liberty and the surrounding skyline, accompanied by an outdoor kitchen, grilling stations, and cabanas. Jolie also features an outdoor dog run, a game room, and a private dining room with a catering kitchen for high-quality entertaining from the comforts of home.
